

Life Application Questions

God: An Introduction - Omnipotent

Job 26:7-14

Scratching The Surface

Which things in creation come to mind when you think of the word “powerful”?

The Heart Of The Matter

What do you remember about and what struck you from the message on Sunday?

Chris quoted G K Chesterton ‘When people stop believing in God they don’t believe in nothing; they believe in anything’

- What would you say in our culture people have ‘believed in’ in place of God.
- What is the power within these things that draws people to them?
- How can we tell that these things are not omnipotent?

Digging Deeper

Read Job 26:7-14

What are the different ways that God’s omnipotence is expressed in this passage?

Why is it particularly relevant in the story of Job, to think about God as being someone who is in control of all things and has power over everything?

What kind of things did people say in response to the “Scratching The Surface” question?
How does verse 14 describe those things?

How is the omnipotence of God comforting news to us as well as a big theological idea?
(encourage people to give personal examples)
