

Life Application Questions

A Way and a Day to Pray

Matthew 6:5-13, 1 Timothy 2:1-9

Scratching The Surface

Can you share one time you have found prayer hard, and one time you have felt alive and enthusiastic in prayer.

The Heart Of The Matter

- What stuck out to you from the message on Sunday?
- What can prevent us from praying regularly?
- Do you find it easier to pray alone or with others? Why?

Digging Deeper

How would you summarise Jesus' instructions in Matthew 6:5-8

Thinking more about corporate prayer and our main church opportunities to pray, have a read of 1 Timothy 2:1-9 and consider these questions:

- What is Paul's motive in urging the church to pray for those in authority?
- What does Paul specifically say to the men in the church?
- What does he say to the women? (remember - context is vital)
- How can we be more active and less distracted in our corporate prayer life?
- Chris mentioned 3 practical changes:
 - We want to make the pre-church prayer meeting big and powerful.
 - We are going to pray monthly on Sunday evenings at The Boathouse.
 - We want both men and women to be more vocal and active in prayer in our main meetings.
- Which of these excites you most - enough to urge you to join in?

Please make a note in your diary of the next few monthly prayer meetings, and endeavour to join us there or before church.
