Scratching The Surface

What do you think are some of the most obvious values in contemporary UK culture?

The Heart Of The Matter

In his Novel 'Origins', Dan Brown has a character who is a well respected futurist and scientist who claims to have the answers to life's two big questions. 'Where did we come from?', and 'Where are we going?'.

How do you think this would be answered by:

1. A teenager in London?
2. A native Australian?
3. An atheist scientist?
4. A Christian?
